Lowndes County
P.I. NUMBER 0008420

Notice is hereby given in compliance with Georgia code 22-2-109 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is: June 1, 2010

This project is located in Lowndes County within the County of Valdosta within the 11th Land District in Land Lots 107 and 124 in G.M.D 663. Construction will take place on State Route 38/US 84/East Hill Avenue from at the intersection of CR39/Clay Road/Hollywood Street between mile post 12.29 and mile post 12.89.

SR 38/US 84 East Hill Avenue is a four lane undivided rural arterial running ear-west through Valdosta, GA. Project CSSTF-0008-00(420) proposes to realign CR 439/Clay Road to tie into CS 1271/Hollywood Street intersecting at SR 38. The proposed typical section of this project consists of widening each approaching streets to add left turn lanes except Hollywood Street. Additionally, a right turn deceleration lane turning southbound will be added to the eastbound approach of SR 38 with adequate storage. As part of improving safety measures, a traffic signal will be installed at the realigned intersection. This project will also incorporate a four-foot bicycle lane for both directions along each approach of SR 38/US 84/East Hill Avenue in accordance to the South Georgia Regional Development Center Bike and Pedestrian Plan.

Drawings, maps, or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
