NOTICE OF LOCATION AND DESIGN APPROVAL
STP00-0114-01(084) & (085) Fulton County, GA P. I. Nos. 721780 & 721790

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is:
March 21, 2016.

The project will add operational improvements and widening from Upper Hembree Road to Windward Parkway on SR 9 Main Street in North Fulton County, Georgia. The project will include some of the City of Roswell and will continue through the City of Alpharetta. The Land District Numbers are 12 and 22.

The roadway section from Upper Hembree Roadway to Academy Street will include mostly operational improvements. No work will be done between Old Milton Parkway and Academy Street. Upper Hembree intersection angle will be corrected, Maxwell Road will be slightly re-aligned, and the intersection with Maxwell Road and Roswell Street will be closed. Devore Road will be realigned with a new intersection with SR 9 Main Street and continue on new location to tie-in with Roswell Street with a mini roundabout. The roadway will be a 4 lane urban section with 10.5 foot lanes, a 12 foot flush median (raised in some locations), and 10 foot multi-use trails on the shoulders.
The roadway section from Academy Street to Windward Parkway on SR 9 Main Street will mostly include widening with operational improvements. The roadway will be a 4 lane urban section with 10.5 foot lanes, a 12 foot flush median·(raised in some locations), ·an 8 foot asphalt shoulder, and a 12 foot multi-use trail on the shoulders ;,.,, ·. ",' .,.,,.· ·
