change design. This reconstruction includes the
addition of a loop ramp for northbound SR 61 traffic
to northbound US 41/SR 3 without traffic interfering
with southbound SR 61 traffic to US 41/SR 3 north-
bound. Some relocation of all existing ramps will
be required with the reconstruction proposed. Im-
provements along US 41/SR 3 will also be required
from just south of the interchange (MP 10.8) to
Massell Drive (MP 11.8), including the addition of
an additional northbound lane on US 41/SR 3, and
removal and replacement of both bridges on US
41/SR 3 over US 411/SR 61, over CSX Railroad
and over Pettit Creek. This project also includes
the widening of SR 61 from Felton Road (MP 9.8)
to north of US 41/SR 3 (MP 10.3) from a
two/three-lane urban and rural section to a
four-lane urban section with a 20-foot raised me-
dian, curb and gutter, and sidewalks. The total
length of the proposed project is approximately 1.0
miles. This project is located in Land District 4, in
Land Lot Nos. 51, 53, 54, 91-95, 122, 123, 166 &
167, and in Georgia Militia District 822.
