**NOTICE OF LOCATION AND DESIGN APPROVAL Project Number HPP-0005-00(448),
Fulton County P.I. Number 0005448** Notice is hereby given in compliance with Georgia code 22-2-109 and 32-3-5 that the Georgia

Department of Transportation has approved the Location and Design of this project. Date of Location Approval: December 19, 2011

The project is located in the City of Milton just north of the community of Crabapple. Land lots 809, 810,

847, 848, 882 of the 2nd District and 2nd Section of Fulton County.

This project consists of intersection improvements to SR 372 Birmingham Highway CR 27 Providence Road/New Providence Road in North Fulton County. The improvement project includes realigning the intersection of SR 372 and CR 27 approximately 300' to the north of the existing intersection. The realignment is such that the intersecting skew angle with SR 372 is 80 degrees, which will improve the vertical sight distance along SR 372. The existing non-signalized 4 way intersection will be replaced with a roundabout.

Drawings and/or maps, and/or plats of the proposed project as approved are on file and are available for inspection at the Georgia Department of Transportation:

305 Misc. Government Notices

NOTICE OF LOCATION AND DESIGN APPROVAL Project Number HPP-0005-00(448), Fulton County P.I. Number 0005448

Notice is hereby given in compliance with Georgia code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. Date of Location Approval: **December 19, 2011**. The project is located in the City of Milton just north of the community of Crabapple. Land lots 809, 810, 847, 848, 882 of the 2nd District and 2nd Section of Fulton County. This project consists of intersection improvements to SR 372 Birmingham Highway @ CR 27 Providence Road/New Providence Road in North Fulton County. The improvement project includes realigning the intersection of SR 372 and CR 27 approximately 300' to the north of the existing intersection. The realignment is such that the intersecting skew angle with SR 372 is 80 degrees, which will improve the vertical sight distance along SR 372. The existing non-signalized 4 way intersection will be replaced with a roundabout. Drawings and/or maps, and/or plats of the proposed project as approved are on file and are available for inspection at the Georgia Department of Transportation:

Notice is hereby given in accordance with State Rule 183-1-12-.02(3)(b)(2)(i) and Georgia Election Code § 21-2-374 that beginning on January 12, 2012, at 10:00 a.m., at the Fulton County Elections Preparation Center, 1365 English Street, NW., Atlanta, preparation and testing of the Direct Recording Electronic Units (Touch Screen Voting Units) to be used during the Presidential Preference Primary and Special Election conducted by Fulton County to be held on March 6, 2012 will commence and will continue until completed.

Testing of the DRE Unit will be conducted by placing the memory card in the DRE Unit to be used for such precinct and running a series of tests. The DRE Unit shall not be used unless it successfully passes all prescribed tests. After successfully testing each DRE Unit, the unit shall be cleared of any accumulated vote totals and a zero tape shall be ran to verify that the vote register in the DRE Unit is set at zero.

Testing of the Optical Scan Tabulators will be conducted by processing a pre-audited group of ballots so marked as to record a predetermined number of valid votes for each candidate and on each question and shall include for each office one or more ballots which are improperly marked and one or more ballots which have votes in excess of the number allowed by law in order to test the ability of the Optical Scan Tabulator to reject such votes. The Optical Scanning Tabulator shall not be approved unless it produces an errorless count.

The testing will continue until all units are prepared and tested. This process is open to the general public.

For additional information regarding the preparation and testing of the DRE Units or Optical Scan Tabulators, please contact the Fulton County Registration and Elections Office at (404) 612-7020.

305 Misc. Government Notices**NOTICE OF LOCATION AND DESIGN APPROVAL Project Number HPP-0005-00(448), Fulton County P.I. Number 0005448**

Notice is hereby given in compliance with Georgia code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. Date of Location Approval: **December 19, 2011**. The project is located in the City of Milton just north of the community of Crabapple. Land lots 809, 810, 847, 848, 882 of the 2nd District and 2nd Section of Fulton County. This project consists of intersection improvements to SR 372 Birmingham Highway @ CR 27 Providence Road/New Providence Road in North Fulton County. The improvement project includes realigning the intersection of SR 372 and CR 27 approximately 300' to the north of the existing intersection. The realignment is such that the intersecting skew angle with SR 372 is 80 degrees, which will improve the vertical sight distance along SR 372. The existing non-signalized 4 way intersection will be replaced with a roundabout. Drawings and/or maps, and/or plats of the proposed project as approved are on file and are available for inspection at the Georgia Department of Transportation:
