

PUBLIC HEARINGS

NOTICE OF LOCATION AND DESIGN APPROVAL
CSSTP-0008-00(439)
GWINNETT COUNTY
P.I. NO.: 0008439

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of Location and Design approval is March 4, 2014.

The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124. The proposed project will also include minor improvements to Henry Clower Boulevard to provide an effective eastbound bypass around the SR 10/US 78 and SR 124 intersection. This will include the addition of a dedicated southbound right turn lane on Henry Clower Boulevard at the SR 124 intersection, and the addition of a second eastbound right turn lanes on Henry Clower Boulevard at the SR 10/US 78 intersection. The proposed project is located entirely in Gwinnett County within Land District 5. Specifically, the project is located within land lots 7, 26, 27, and 38.

The proposed project will include the construction of dual left turn lanes offset from the through lanes on the east and west legs of SR 10/US 78 so left turn movements could occur simultaneously with the mainline through. A free flow right turn lane will be constructed for southbound SR 124 traffic to travel west on SR 10/US 78. Limited access will be provided along the north side of SR 10/US 78 for approximately 1,300 feet west of SR 124 and approximately 400 feet on the south side of SR 10/US 78 east of SR 124. On SR 124, limited access will be provided for approximately 120 feet on the east side, south of the intersection with SR 10/US 78. The SR 124 northbound left and right turn lanes will be removed and relocated via signage to Henry Clower Boulevard, and left and right turns from SR 124 northbound will be prohibited at the intersection

Included within three pocket parks along the trail. The exact locations of these pocket parks will be determined during design. Irrigation will not be included as a part of this project. All proposed lighting, landscaping, trash receptacles, bicycle racks and benches will be located beyond the Design. Policy Manual minimum lateral offsets. The proposed decorative brick columns will be built into the end of the bridge parapets and anticipated retaining walls will be constructed at the back of the multi-use trail. The proposed pedestrian bridges will be 10 foot wide connector style, weathering steel bridges with concrete decking and standard handrail. Right of Way and easements may be required for the construction of the project. The project will be located entirely within

PUBLIC HEARINGS

with SR 10/US 78. The intersection of SR 10/US 78 with Pats Street will be closed and converted to a cul-de-sac, and the intersection of Rawlins Street and SR 10/US 78 will be closed utilizing curb and gutter. A concrete median will be added to only allow right in and right out access to Rawlins Street from SR 124. Also, no changes will be made to access onto SR 124 from Lenora Church Road.

The proposed project will construct dual right turn lanes on SR 10/US 78 for eastbound traffic to utilize Henry Clower Boulevard, and a changeable message sign will be added on SR 10/US 78 to notify eastbound drivers of the travel time savings by taking the bypass. Pedestrian access will be provided via sidewalks along the proposed improvements, and a signalized pedestrian crossing will be added approximately 300 feet south of SR 10/US 78 on Henry Clower Boulevard. At Henry Clower Boulevard and SR 124, a right turn lane will be added for eastbound traffic to turn south onto SR 124, and a concrete median will be added on Henry Clower Boulevard west of SR 124. Concrete islands will be added at the SR 124 and Henry Clower Boulevard intersection to provide pedestrian refuge, and dual right-turn lanes will be constructed on Henry Clower Boulevard to turn east onto SR 10/US 78. A 16-foot urban shoulder with sidewalk will be used throughout the project limits.

Drawings, maps or plans of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation.

NOTICE OF LOCATION AND DESIGN APPROVAL CSSTP-0006-00(439) GWINNETT COUNTY P.I. NO.: 0006439

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of Location and Design approval is: March 4, 2014. The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124.

The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124. The proposed project will also include minor improvements to Henry Clower Boulevard to provide an effective eastbound bypass around the SR 10/US 78 and SR 124 intersection.

The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124. The proposed project will also include minor improvements to Henry Clower Boulevard to provide an effective eastbound bypass around the SR 10/US 78 and SR 124 intersection.

The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124. The proposed project will also include minor improvements to Henry Clower Boulevard to provide an effective eastbound bypass around the SR 10/US 78 and SR 124 intersection.

The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124. The proposed project will also include minor improvements to Henry Clower Boulevard to provide an effective eastbound bypass around the SR 10/US 78 and SR 124 intersection.

PROBATE COURT DISCHARGE

PUBLIC HEARINGS

NOTICE OF LOCATION AND DESIGN APPROVAL CSSTP-0006-00(439) GWINNETT COUNTY P.I. NO.: 0006439

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of Location and Design approval is: March 4, 2014.

The proposed project will consist of constructing a two legged Continuous Flow Intersection (CFI) on SR 10/US 78 at the intersection with SR 124. The proposed project will also include minor improvements to Henry Clower Boulevard to provide an effective eastbound bypass around the SR 10/US 78 and SR 124 intersection.

The proposed project will include the construction of dual left turn lanes offset from the through lanes on the east and west legs of SR 10/US 78 so left turn movements could occur simultaneously with the mainline through.

Any written request or communication in reference to this project or notice SHOULD include the Project and P. I. Numbers as noted at the top of this notice.

PROBATE JUDGE BY: Martha Wade PROBATE CLERK/DEPUTY CLERK 75 LANGLEY DRIVE LAWRENCEVILLE, GA 30046 770-822-8350 927-199888, 7/10

PUBLIC HEARINGS

NOTICE OF PUBLIC HEARING UPON APPLICATION FOR ANNEXATION AND REZONING

Pursuant to O.C.G.A. § 36-36-1 et seq. and O.C.G.A. § 36-36-20 et seq., notice is hereby given that the City of Buford, a Georgia Municipal Corporation, will hold a public hearing to evaluate the applications of certain landowners, more fully set forth on Exhibit "A", to annex and zone property to the corporate limits of the City of Buford as provided in O.C.G.A. § 36-36-20 which is contiguous to the existing limits.

PROBATE COURT

The proposed project will construct dual right turn lanes on SR 10/US 78 for eastbound traffic to utilize Henry Clower Boulevard, and a changeable message sign will be added on SR 10/US 78 to notify eastbound drivers of the travel time savings by taking the bypass. Pedestrian access will be provided via sidewalks along the proposed improvements, and a signalized pedestrian crossing will be added approximately 300 feet south of SR 10/US 78 on Henry Clower Boulevard.

Drawings, maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

Matt Needham mneedham@dot.ga.gov GDOT Area 1 Office 2594 Gillesville Highway Gainesville, GA 30507 (770) 535-5759

Any interested party may obtain a copy of the drawings, maps or plats, or portions thereof, by paying a nominal fee and providing a written request to:

Genetha Rice-Singleton GDOT Office of Program + Delivery Attn: Davida White dwhite@dot.ga.gov Georgia Department of Transportation 600 West Peachtree Street, 25th Floor Cubicle 2529 Atlanta, GA 30308 (404) 631-1717

Any written request or communication in reference to this project or notice SHOULD include the Project and P. I. Numbers as noted at the top of this notice.
