P. I. No. 0007167

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is January 28, 2013.

The proposed project will replace the existing 69' x 26' bridge on SR 232 at Walton Branch 4 miles northeast of the City of Grovetown in Columbia County and the 126th GMD. The proposed bridge will be 180' x 36' consisting of three 45' spans. The length of the proposed project is approximately 0.43 miles beginning at ML 7.80 and extending to ML 8.23. The proposed typical section will consist of two 12' lanes and 8' shoulders with 2' paved. Traffic will be maintained with an on-site detour on the south side of the existing bridge.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
