P#M 0007171

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The Date of the Location Approval is: July 15, 2014

The proposed project would replace the existing 170 ft. x 32 ft. (1 x w), five-span bridge over Big Slough along SR 97, approximately 3.2 miles north-east of Bainbridge, in Decatur County, Georgia. The project would provide a modern roadway bridge structure for the traveling public while at same time eliminating long-term maintenance costs. This project will have an on-site detour. The project is located in Land Lot 1820, and Land District 15.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation.
