NOTICE OF LOCATION AND DESIGN APPROVAL

CSSTP-0007-00(406), Ware County P. I. NUMBER 0007406

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is September 9, 2011.

This project consists of upgrading traffic signal equipment at eight locations in the City of Waycross, Ware County. The project is needed to improve the overall efficiency and safety of traffic flow by upgrading traffic signal displays and state-of-the-art traffic control equipment and providing better signal coordination through new signal interconnection cable. The proposed project would also improve pedestrian mobility with improved crosswalks, pedestrian signals and sidewalk ramps that are constructed in compliance with the Americans with Disability Act (ADA). This project is located within land lots 166, 167, 203 & 205 in Ware County.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

Greg Walker

District 5, Waycross Area Engineer
