Meredith Smith, being duly sworn, says:

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

That she is the receptionist of the Douglas County Sentinel, a daily newspaper of general circulation, printed and published in Douglasville, Douglas County, Georgia; that the publication, a copy of which is attached hereto, was published in the said newspaper on the following dates:

Date of Location and Design Approval:

- April 17, 2013
- April 24, 2013
- May 01, 2013
- May 08, 2013

This project is located at the intersections of SR 8 @ Conners Rd., SR 8 @ Mann Rd/Mason Creek Rd, SR 8 @ Post Rd. and Post Rd. @ Mason Creek Rd. The purpose of the project is to reduce the crash frequency and severity at the intersections and improve the operation of the intersections. The project is located within Douglas County and the community of Winston. The project lies within Land Lots 153-154 and the 2nd Land District.

Publisher's Fee: \$ 170.00

This project consists of widening US 78/SR 8 at Mann Road/Mason Creek to add a left-turn lane in each direction and an auxiliary right-turn lane on westbound and eastbound direction. Mann Road will be widened to add a left turn lane in each direction and an auxiliary right-turn lane on northbound direction; a traffic signal will be installed at the intersection of SR 8 and Mann Road/Mason Creek Road. The northern portion of Conners Road will be realigned from its present alignment to terminate perpendicularly with SR 8. Post Road will be reconfigured to tie directly into the northern portion of Mason Creek Road. Mason Creek Road will be realigned to intersect perpendicularly with this new connection and the portion of Post Road north of this location will be cul-de-sac and accessed from the southern portion of Conners Road.

That said newspaper was regularly issued and circulated on those dates.
