NOTICE OF LOCATION AND DESIGN

CSNHA, Barrow County
 P. I. NUMBER 0008429
 Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.
 The date of location and design approval is: June 30, 2015.
 The project proposes to grade separate the existing at-grade intersection of SR 316 at SR 81. The project proposes to raise SR 81 over SR 316, which would include provisions for a full interchange. The proposed interchange would not preclude the future widening of SR 316.
 On SR 81, the project is proposed to begin approximately 0.22 miles south of the existing SR 316/SR 81 intersection and continue north along SR 81 for a total length of 0.54 miles. The proposed work along SR 316 would be limited to tying in the entrance/exit ramps and erecting guardrail to protect the bridge columns in the median. On SR 316, the project is proposed to begin approximately 0.53 miles to the west of the existing SR 316/SR 81 intersection and continue east along SR 316 for a total length of approximately 1 mile. The project is located in Georgia Militia District 249, in Barrow County Georgia.
 Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
