NOTICE OF LOCATION AND DESIGN APPROVAL CSSFT-0008-00(627), HALL COUNTY P. I. NUMBERS 0008627 & 0010848 Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. The date of location and design approval is: April 23, 2015 The project length is approximately 1.58 miles and is located within the General Militia District 392. This project will add high surface friction course to five sites along CR1300/Union Church Road. Within site #2 the triple box culvert at Deaton Creek will be extended 33-35 feet, the shoulder will be extended and guardrail added in the vicinity of the culvert extension. The existing typical section will remain the same along Union Church Road, except for site #2 where the shoulder will be widened due to the culvert extension. The existing right of way (ROW) will remain between 60 and 80 feet along the roadway except for site #2 where additional ROW needed ranges between 20 and 30 feet. The project is located in Hall County within the city limits of Flowery Branch and Braselton, Georgia. This project will impact five locations along Union Church Road between MP 0 and MP 5.25. Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation: Matthew Needham mneedham@dot.ga.gov Georgia Department of Transportation District 1, Area 1 office 2594 Gillsville Highway Gainesville, GA 30507 770-535-5759 Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to: Albert V.
