NOTICE OF LOCATION AND DESIGN APPROVAL CSSTP-0008-00(983), GWINNETT COUNTY P. I. 0008963

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: May 2, 2014.

The project is located within the limits of the City of Lawrenceville, Land Lot 146 and 147 of Land District 5 in Gwinnett County.

The proposed project includes conversion of Clayton Street and Perry Street to two-way operation. The proposed project will convert Perry Street and Clayton Street from three (3) one-way travel lanes to two-way operation with one (1) through-lane in each direction and one (1) center two-way left-turn lane. Four (4) existing signalized intersections along both Perry Street and Clayton Street will be re-configured to accommodate the two-way operation, including full pedestrian upgrades. Shared-use of Perry Street and Clayton Street will be encouraged through the proposed use of "sharrows" and share-the-road signage. The limits of improvement along Perry Street total approximately 0.66 miles. Buford Drive (SR 20) will also be improved between Pike Street and Crogan Street to add one (1) lane for left-turn storage. The project also proposes improvements along Scenic Highway (SR 124) at the Jackson Street intersection to provide a dual left-turn lane for eastbound Scenic Highway traffic onto northbound Jackson Street. Proposed improvements along Buford Drive/Jackson Street modify three (3) existing signalized intersections (at Crogan Street, at Pike Street, and at Jackson Street), including full pedestrian upgrades. Pedestrian improvements also include construction of sidewalk to complete gaps in connectivity at various locations and upgrading sub-standard pedestrian ramps to current standards.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

appear to best meet the City's requirements.

The proposer awarded the Contract must provide proof of liability insurance in the amount of one million dollars (\$1,000,000.00), along with any other required insurance coverage and evidence of business or occupational license, as outlined in the Proposal Documents.

The City reserves the right to waive any informalities or irregularities of proposals, to request clarification or information submitted in any proposal, to request additional information from any proposer, or to reject any or all proposals, and to re-advertise for proposals. The City also reserves the right to extend the date or time scheduled for the opening of proposals.

Award, if made, will be to the responsible and responsive proposer submitting the proposal which is deemed by the City, in the sole discretion, to be the most advantageous to the City, price and other factors being considered.

To ensure the proper and fair evaluation of proposals, the City highly discourages any communication initiated by a proposer or its agent to an employee of the City evaluating or considering the proposal during the period of time following the issuance of the RFP, the opening of proposals and prior to the time a decision has been made with respect to the Contract award. An appropriate Purchasing employee of the City may initiate communication with a proposer in order to obtain information or clarification needed to develop a proper and accurate evaluation of the proposal. Any communication initiated by proposer during evaluation should be submitted in writing and delivered to the City of Duluth, Melissa Muscato, City Engineer, 3187 Main Street, Duluth, Georgia, 30098, or by e-mail to mmuscato@duluthga.net. Unauthorized communication by the proposer may disqualify the proposer from consideration.

Please note that Section 12 of the Instructions to Proposers describes irregularities in proposals that may cause them to be rejected by the City. Included in these irregularities are those such as conditions, limitations, or unauthorized alternative proposals which may require the City to reject a proposal. Please see the City's written advice BEFORE you submit a proposal containing any of the irregularities described in Section 12 of the Instructions to Proposers.

NOTICE OF LOCATION AND DESIGN APPROVAL CSSTP-0008-00(963), GWINNETT COUNTY P. I. 0008963

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. The date of location and design approval is: May 2, 2014

The project is located within the limits of the City of Lawrenceville, Land Lot 148 and 147 of Land District 5 in Gwinnett County.

The proposed project includes conversion of Clayton Street and Perry Street to two-way operation. The proposed project

will convert Perry Street and Clayton Street from three (3) one-way travel lanes to two-way operation with one (1) through-lane in each direction and one (1) center two-way left-turn lane. Four (4) existing signalized intersections along both Perry Street and Clayton Street will be re-configured to accommodate the two-way operation, including full pedestrian upgrades. Shared-use of Perry Street and Clayton Street will be encouraged through the proposed use of "sharrows" and shared-road signage. The limits of improvement along Perry Street total approximately 1.66 miles. Buford Drive (SR 40) will also be improved between Pike Street and Crogan Street to add one (1) lane for left-turn storage. The project also proposes improvements along Scenic Highway (SR 124) at the Jackson Street intersection to provide a dual left-turn lane for eastbound Scenic Highway traffic onto northbound Jackson Street. Proposed improvements along Buford Drive/Jackson Street modify three (3) existing signalized intersections (at Crogan Street, at Pike Street, and at Jackson Street), including full pedestrian upgrades. Pedestrian improvements also include construction of sidewalk to complete gaps in connectivity at various locations and upgrading sub-standard pedestrian ramps to current standards.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation: Mr. Dennis Billwe, City of Lawrenceville, dennis.billwe@lawrenceville-georgia.org, 70 South Clayton Street, Lawrenceville, GA 30046 (678) 407-6582. upgrades. Shared-use of Perry Street and Clayton Street will be encouraged through the proposed use of "sharrows" and share-the-road signage. The limits of Improvement along Perry Street total approximately 0.66 miles. Buford Drive (SR 20) will also be improved between Pike Street and Crogan Street to add one (1) lane for left-turn storage. The project also proposes improvements along Scenic Highway (SR 124) at the Jackson Street Intersection to provide a dual left-turn lane for eastbound Scenic Highway traffic onto northbound Jackson Street. Proposed improvements along Buford Drive/Jackson Street modify three (3) existing signalized intersections (at Crogan Street, at Pike Street, and at Jackson Street), including full pedestrian upgrades. Pedestrian Improvements also include construction of sidewalk to complete gaps in connectivity at various locations and upgrading sub-standard pedestrian ramps to current standards.

NOTICE OF LOCATION AND DESIGN APPROVAL CSSTP-0008-00(963), GWINNETT COUNTY P. I. 0008963

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: May 2, 2014

The project is located within the limits of the City of Lawrenceville, Land Lot 146 and 147 of Land District 5 in Gwinnett County.

The proposed project includes conversion of

PUBLIC HEARINGS

direction and one (1) center two-way left-turn lane. Four (4) existing signalized intersections along both Perry Street and Clayton Street will be re-configured to accommodate the two-way operation, including full pedestrian upgrades. Shared-use of Perry Street and Clayton Street will be encouraged through the proposed use of "sharrows" and share-the-road signage. The limits of improvement along Perry Street total approximately 0.66 miles. Buford Drive (SR 20) will also be improved between Pike Street and Crogan Street to add one (1) lane for left-turn storage. The project also proposes improvements along Scenic Highway (SR 124) at the Jackson Street intersection to provide a dual left-turn lane for eastbound Scenic Highway traffic onto northbound Jackson Street. Proposed improvements along Buford Drive/Jackson Street modify three (3) existing signalized intersections (at Crogan Street, at Pike Street, and at Jackson Street), including full pedestrian upgrades. Pedestrian Improvements also include construction of sidewalk to complete gaps in connectivity at various locations and upgrading sub-standard pedestrian ramps to current standards.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
