NOTICE OF LOCATION AND DESIGN APPROVAL HALL COUNTY PI 0009679 Notice is hereby given In compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. The date of location and design approval is: June 9, 2016 This project involves the widening and relocation of Spout Springs Road from south of Thompsons Mill Road to the I-985 Interchange. The project is 6.1 miles long and runs through Hall County between the City of Braselton and the City of Flowery Branch. The project runs through GMD's 1397,392, 1270, and 1419, Land Lots 96, 113 and 114, and Land District 8. The typical section of the roadway is a 4 lane divided highway with a median varying between 20' and 32'. South of Thompsons Mill Road is a rural section with no sidewalks. Overlay, striping, and minimal widening will occur between Hog Mountain Road and the I-985 interchange. A 5' sidewalk and 10' multiuse trail runs parallel to the roadway from Thompsons Mill Road to I-985 interchange. 2 major culverts will be constructed at Lollis Creek and Sherwood Creek. Relocated, new, and existing traffic signals are all present on the corridor. There are 23 side roads and approximately 300 driveways within the project scope. Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation: Denise Farr (Hall County Department of Public Works) dfarr@hallcounty.org 2875 Browns Bridge Road Gainesville, GA 30504 770-531-6800 Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to: Albert V.
