The date of location approval is April 18, 2011. Proposed streetscape construction along Perimeter Summit Parkway (0.74 miles), Lake Hearn Drive (0.61 miles), and Parkside Place (0.27 miles) includes overall pedestrian access improvements that include the addition and/or renovation of sidewalks, Americans with Disabilities Act (ADA) compliant facilities, street and pedestrian lighting, street furniture, landscape improvements including new/larger medians and islands, restriping and/or addition of crosswalks. ### ANNOUNCEMENTS

**NOTICE OF LOCATION AND DESIGN APPROVAL** Streetscape Design Services: Lake Hearn Drive, Perimeter Summit Parkway, and Parkside Place DeKalb County P. I. No. 0010164 Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. The date of location approval is April 18, 2011 Proposed streetscape construction along Perimeter Summit Parkway (0.74 miles), Lake Hearn Drive (0.61 miles), and Parkside Place (0.27 miles) includes overall pedestrian access improvements that include the addition and/or renovation of sidewalks, Americans with Disabilities Act (ADA) compliant facilities, street and pedestrian lighting, street furniture, landscape improvements including new/larger medians and islands, restriping and/or addition of crosswalks. Lane widths will be narrowed on Lake Hearn Drive, Perimeter Summit Parkway (from Parkside Place to Ashford Dunwoody Road), and Parkside Place for traffic calming and to accommodate the landscape and pedestrian improvements. Furthermore, the driveway for the Hilton Garden Inn hotel on the one way portion of Lake Hearn Drive will be modified to restrict exiting traffic to turning movements in one direction only. Intersection improvements will consist of traffic signal upgrades to mast arm type installations at the intersections of Perimeter Summit Parkway and Parkside Place and Lake Hearn Drive and Parkside Place. The intersections of Lake Hearn Drive and Parkside Place and Lake Hearn Drive at the Cox Enterprises, Inc. driveway will be raised to help mitigate excessive vehicle speed along Lake Hearn Drive. An 8 foot to 10 foot wide concrete multi-use trail is proposed on the south side of Lake Hearn Drive/Perimeter Summit Parkway extending from Perimeter Center Parkway to Ashford Dunwoody Road. This project is located in DeKalb County in Land Lots 329 and 330; and is in Land District 18. Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation: Thomas Parker Area Engineer 805 George Luther Drive Decatur, GA 30032 404-299-4386 tparker@dot.ga.gov Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to: Bobby Hilliard, P.
