The SHS Girls of 1959 met for their annual luncheon at the Milledgeville Country Club on Friday, May 1. A delightful lunch and visit was enjoyed by Julia Howell Flynt, Georgia Darden Marsh, Hilda Timmerman Toulson, Patricia Brown Purvis, Sandra Dunn, and Barbara Hussey Lewis.

We missed Judy Waddell Cheely, Sandra Coleman Clarke, Angelyn Foster Doswell, and Nancy Coleman Holshouser who could not attend.

Older Americans Month 2015:

"Get into the Act"

Submitted by Knakia Huff

Older adults are a vital part of our society. Since 1963, communities across the country have shown their gratitude by celebrating Older Americans Month each May. The theme of this year's celebration is "Get into the Act," to focus on how older adults are taking charge of their health, getting engaged in their communities, and making a positive impact in the lives of others.

The theme also reflects on the 50th anniversary of the Older Americans Act. President Lyndon B. Johnson signed the Older Americans Act into law in July 1965. Since that time, the Act has provided a nationwide aging services network and funding that helps older adults live with dignity in the communities of their choice for as long as possible. These services include home-delivered and congregate meals, caregiver support, community-based assistance, preventive health services, elder abuse prevention, and much more.

By promoting and engaging in activity, wellness, and inclusivity, more Americans than ever before can "Get into the Act." While Betty Hill Senior Citizen Center provides elderly community based programs which encourage independence to older adults year-round, Older Americans Month offers an opportunity to emphasize how older adults can access the home- and community-based services they need to live independently in their communities. It is also an occasion to highlight how older adults

are engaging with and making a difference in those communities. Throughout the month, Betty Hill Senior Citizens Center will be conducting activities and providing tips on how to access home-delivered and congregate meals, preventive health services,

and much more which is designed to maximize the independence of older adults in our community.

Betty Hill Senior Citizens Center is glad to promote the benefit of supporting elderly independent living and is excited to have Chairperson Helen "Sistle"

Hudson sign the Proclamation of Older American Month here at the center on Friday, May 15. We also would like to invite everyone to come celebrate Old American Month Day with us at Hancock County Youth Opportunity Center on Thursday, May 28 at 11 a.m.
