NOTICE OF SUMMONS

TO: MARCUS THOMPSON, and any and all other persons with a parental interest in the above child

NOTICE OF EFFECT OF TERMINATION JUDGEMENT

Georgia law provides that you can permanently lose your rights as a parent. A petition to terminate parental rights has been filed on the 19 day of March, 2015, requesting the court to terminate your parental rights to your child.

The grounds alleged in the termination of parental rights petition include (a) that the child has been subjected to aggravated circumstances, (b) that the parents have abandoned the child, and (c) that the child is dependent due to lack of proper parental care and control and the continued dependency will cause or is likely to cause serious physical, mental, emotional, or moral harm to such child.

A copy of the petition to terminate parental rights may be obtained by contacting the clerk of court at (706) 672-4416. A court hearing on your case has been scheduled for the 5th day of June, 2015, at 9:00 a.m. at the Juvenile Court of Meriwether County, located at 100 North Court Square, Greenville, GA 30222. If you fail to appear, the court can terminate your rights in your absence.

If the court at the trial finds that the facts set out in the petition to terminate parental rights are true and that termination of your rights will serve the best interests of your child, the court can enter a judgment ending your rights to your child.

If the judgment terminates your parental rights, you will no longer have any rights to your child. This means that you will not have the right to visit, contact, or have custody of your child or make any decisions affecting your child or your child's earnings or property. Your child will be legally freed to be adopted by someone else.

Even if your parental rights are terminated:

(1) You will still be responsible for providing financial support (child support payments) for your child's care unless and until your child is adopted; and

(2) Your child can still inherit from you unless and until your child is adopted.

This is a very serious matter. You should contact an attorney immediately so that you can be prepared for the court hearing. You have the right to hire an attorney and to have him or her represent you. If you cannot afford to hire an attorney, the court will appoint an attorney if the court finds that you are an indigent person. Whether or not you decide to hire and attorney, you have the right to attend the hearing of your case, to call witnesses on your behalf, and to question those witnesses brought against you.

Notice to Biological Fathers who are not Legal Fathers:

Pursuant to O.C.G.A. §15-11-283(c), the biological father who is not the legal father is hereby notified that he will lose all rights to the children named in this petition and will not be entitled to object to termination of his parental rights to his children unless, within thirty (30) days of his receipt of notice he files:

(1) a petition to legitimate such child; and

(2) notice of filing of the petition to legitimate with the Juvenile Court of Troup County, in which action is pending.

Pursuant to O.C.G.A. §15-11-283(e), said biological father is also notified that the court may enter an order terminating all the parental rights of a biological father, including any right to object thereafter to such proceedings:
