

NOTICE OF LOCATION AND DESIGN APPROVAL P.I.

10.24.13 - 02:34 am

NOTICE OF LOCATION AND DESIGN APPROVAL

P.I. No. 0010425, Gwinnett County

Notice is hereby given in compliance with Georgia Codes 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is: OCTOBER 17, 2013 .

Project P.I. No. 0010327 consists of the grade separation of Walther Boulevard over SR 316 in Gwinnett County that is partially located in the City of Lawrenceville. This project will eliminate the existing right in/right out access at this intersection. The project is approximately 0.3 miles in length. The bridge span and arrangement do not preclude the addition of a future lane widening on SR 316 and an HOV/Managed Lane access point from the new bridge. Walther Boulevard will consist of two 12-ft travel lanes, two 4-ft bike lanes, a 14-ft center turn lane and 12-ft shoulders including a 5-ft sidewalk. The project is located in the following Land District: 7; Land Lots: 9 and 31; and Georgia Military Districts: 407.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

Matthew Needham

Gainesville Area Engineer

email: mneedham@dot.ga.gov

2594 Gillsville Hwy

Gainesville, GA 30507

(770) 535-5759

Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to:

Mr. Darryl D. VanMeter, P.E.

State Innovative Program Delivery Engineer

email: dvanmeter@dot.ga.gov

One Georgia Center

600 West Peachtree St NW

Atlanta, Georgia 30308

(404) 631-1703

Any written request or communication in reference to this project or notice SHOULD include the P.I. Number as noted at the top of this notice.
