Russell R. McMurry, P.E., Commissioner
Georgia Department of Transportation
One Georgia Center
600 West Peachtree Street, NW
Atlanta, GA 30308

Dear Commissioner McMurry:

We have reviewed the request to use proprietary items on PI# 0010623 at SR 14 from CS 659/CS 687/9th Street and CS 661/8th Street in the City of West Point, Troup County.

FHWA concurs with the use of the described items below as proprietary items for aesthetic synchronization. This public interest finding is only applicable for the trash receptacles and benches listed below. Furthermore, this public interest finding is only applicable for use on PI # 0010623, in Troup County. The City of West Point is responsible for ensuring that these items comply with the Buy America Act:

- Trash Receptacles – Dumor Site Furnishings, 102-32SH-FTO, Black
- Benches – Dumor Site Furnishings, 19-60, Black

If you have any questions, please contact Kendra Fly at (404) 562-3644.

Sincerely,

Rodney N. Barry, P.E.
Division Administrator

Subject: Request for Proprietary Items Usage
PI # 0010623
SR14; CS659/CR687/9th St & CS661/8th St @ 3 Loc – Ph III
City of West Point Streetscape – Phase 3
City of West Point, Troup County

Mr. Barry:

Please review the attached request from the City of West Point for the use of proprietary benches and trash receptacles in the City of West Point Streetscape – Phase 3 project, P.I. Number 0010623.

The City of West Point has previously installed identical items on adjacent projects. In order to ensure aesthetic continuity within its downtown area, the City of West Point respectfully requests approval to utilize the requested items.

The Department considers the use of the proposed proprietary items to be in compliance with 23 CFR 635.411 for aesthetic synchronization.

Should you have any questions or concerns, please contact Dave Peters at 404-631-1738 or Jeanne Kerney at 404-631-1982.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brent Story".

RE: Use of Proprietary Items
PI 0010623, Troup County
City of West Point Streetscape Phase 3

Dear Ms. Kerney:

As per Federal Highway Administration regulation 23 CFR 635.411A(a)(2), proprietary materials, specifications and processes may be used if their use is essential for synchronization with the existing highway facilities. For the City of West Point Streetscape Phase 3 Project, PI 0010623, the following proprietary items are proposed for use:

Bench

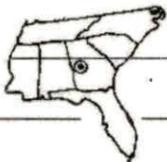

Manufacturer: Dumor Site Furnishings
Model No.: 19-60
Color: Black
Quantity in Project: 6
Total Estimated Cost: \$9,000.00

Trash Receptacle

Manufacturer: Dumor Site Furnishings
Model No.: 102-32SH-FTO
Color: Black
Quantity in Project: 11
Total Estimated Cost: \$11,000.00

The total estimated construction cost for the project is \$500,000.00. The cost of \$20,000.00 for proprietary items represents 4.0% of the estimated construction costs.

The specific products designated to be installed as part of this project are the same as products installed in the previous phases of the downtown streetscape improvements, TEE-0006-00(629)/PI 0006629 and CSTEE-0009-00(136)/PI 0009136, which are adjacent to this project. These products will also be used in future streetscape enhancement projects for the area. The use of these proprietary products is necessary to maintain a consistent look and quality throughout the downtown area. Attached are photos of the existing items to be matched as well as product specifications for your review.

... located in the center of the southeast

I respectfully request that the use of these proprietary products be approved for the aesthetic synchronization to match the visual appearance of the existing facilities previously installed in the city.

Thank you for your time and consideration in this matter. If you have any further questions, please contact me at 678-450-5236.

Respectfully,

Ed Moon
City Manager
