Atlanta, Georgia 30308

Dear Commissioner Golden:

We have reviewed the request to use proprietary items for the CS 819/Railroad Street Enhancements, from SR 211 to Downtown Parking Area in the City of Statham, Barrow County, PI # 0010656.

FHWA accepts the Certification provided by the City of Statham, which states the following items are essential for the synchronization, with existing street improvement projects and aesthetic synchronization, to match the visual appearance of existing facilities previously installed in the City:

Pedestrian Light Pole and Base, and Luminaire

Manufacturer: Sternberger

Pole and Base: Richmond 3900 Base, 5"-3" Smooth Tapered Shaft, 14-foot height, Black, Part Number: 3900RT5-3-14'AG/150MHPMT MED/GFI/IUC/BK

Luminaire: 22" Dia CR-RLM Downlight Fixture with Closed Bottom Polycarbonate Refractor Type 3, with 2" Dia Candy Cane Post Mount. Part Number: R#P/CR22/RPM

Therefore, FHWA finds that it is acceptable to use the above listed items for the purpose of synchronization with existing facilities. This approval is only applicable for use on PI # 0010656, Barrow County. The City of Statham is responsible for ensuring that these items comply with the Buy America Act.

If you have any questions, please contact Trevor Smart, Transportation Engineer, at (404) 562-4280.

Sincerely,

 Rodney N. Barry, P.E.
Division Administrator

Subject: Proprietary Items Usage
PI # 0010656
CS 819/Railroad St Enhancements from SR 211 to Downtown Parking Area
City of Statham, Barrow County

Mr. Barry:

Please review the attached request from the City of Statham for the use of the following proprietary products along Railroad Street: pedestrian light pole, base, and luminaire.

The City of Statham has previously installed these items in the project vicinity, and intends to utilize the requested items in future streetscape projects within the city.

The Department considers the use of the proposed proprietary items to be in compliance with 23 CFR 635.411 for aesthetic synchronization.

Should you have any questions or concerns, please contact Dave Peters at 404-631-1738 or Jeanne Kerney at 404-631-1982.

Sincerely,

A handwritten signature in blue ink that reads "Brent A. Story" followed by a stylized monogram.

RE: Use of Proprietary Items for
CS 819/Railroad ST From SR 211 to Downtown Parking Area
PI 0010656, Barrow County

Dear Ms. Kerney,

As per Federal Highway Administration regulation in 23 CFR 635.411(a)(2), proprietary materials, specifications, and processes can be used if their use is essential for synchronization with existing highway facilities. For the City of Statham, Transportation Enhancement Project, PI# 0010656, the following proprietary items are proposed for use:

Pedestrian Light Pole and Base, and Luminaire

Manufacturer: Sternberger

Pole and Base: Richmond 3900 Base, 5"-3" Smooth Tapered Shaft, 14-foot height, Black

Part Number: 3900RT5-3-14'AG/150MHPMT MED/GFI/IUC/BK

Luminaire: 22" Dia CR-RLM Downlight Fixture with Closed Bottom Polycarbonate Refractor Type 3,
with 2" Dia Candy Cane Post Mount. Part Number: R3P/CR22/RPM

Quantity in Project: 6

Total Estimated Cost: \$13,008

The total estimated costs for materials listed above are based on recent construction bids on similar projects. These costs include only materials. The estimated total construction cost for the project is \$300,000.00. The cost of \$13,008 for proprietary items represents 4% of the estimated construction costs.

These proposed pedestrian lighting products have been installed around the City of Statham, including along Railroad Street, and adjacent to the proposed project in previous projects. These products will also be used in all future streetscape enhancement projects in the City of Statham. These products were approved by the City of Statham. On the construction plans, we have exhibited the product information and contact information for each product's manufacturer. We have also attached photographs of existing areas with the products in use.

Proprietary Items Request

Page 2 of 4

I, Robert Bridges, Mayor, City of Statham do hereby certify that in accordance with the requirements of 23 CFR 635.411(a)(2), that these proprietary items are essential for synchronization with existing highway facilities. The use of these products is essential for aesthetic synchronization to match the visual appearance of existing facilities previously installed in the City.

The City of Statham respectfully requests that the use of these proprietary products be approved.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Bridges", with a long horizontal flourish extending to the right.

Robert Bridges
Mayor, City of Statham
