Jackson County

P. I. 0011877  
Notice is hereby given that the Georgia Department of Transportation has approved the use of and the routing of a detour for this project.

The date of detour approval is: October 13, 2016

This project is for the replacement of a triple 10'x10' box culvert located at a tributary for the Mulberry River on SR 11 in Jackson County. The project length is approximately 0.2 miles, starting approximately 700 ft. South of the current culvert and continuing approximately 500 ft. North of the current culvert. The culvert is located approximately 6.3 miles South-West of Jefferson. The proposed culvert will be a double 10'x12' box culvert. The typical section for the roadway will be two 12' travel lanes, 4' paved shoulders with rumble strips and an additional 4' grassed shoulder, for a total shoulder width of 8'.

The off-site detour will be used to allow the culvert to be replaced with an open cut. The total length of the off-site detour will be 14.7 miles. Traffic detoured along SR 11 will be dispersed to off-site corridors along SR 211 for 6.0 miles, along SR 82 for 6.0 miles and along US 129 for 2.7 miles. It is estimated the detour would be in place for approximately 90 days.

Drawings or maps or plans of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
