Approval**

P. I. 0011677, Jackson County
Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: April 4, 2016.

The proposed project, SR 11 @ Mulberry River Tributary 6.3 miles SW of Jefferson, Jackson County, replaces the existing 50 ft. culvert with a 99 ft. culvert. The entire length of the project is 0.227 miles. The existing culvert is a triple box with a width and height of 10 ft. The proposed culvert is a double box that is 10 ft. wide and 12 ft. high per barrel, with 2 ft. of that height being embedded. The existing alignment is to be utilized for final construction. A reduced shoulder width of 8 ft. will be used and a shoulder of 13.5 ft. will be used to accommodate guardrail. An off-site detour will be used to allow the culvert to be replaced with an open cut. The road will continue to be a rural two lane, 55 mph corridor. This project is located in Georgia Militia Districts 245 and 248.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

Notice to Bidders

Sealed proposals will be received by JACKSON COUNTY IN THE COUNTY ADMINISTRATION BUILDING located at 67 Athens Street, Jefferson, GA 30549 up to 10:00 AM, Friday, April 22, 2016 and immediately thereafter publicly opened and read for the furnishing of labor, material, and equipment for the Crack Seal & Re-Mark Airfield project.

Bids must be submitted on the complete project and must be enclosed in a sealed envelope, addressed to Jackson County, Attn: Len Bernat, Purchasing Manager, 67 Athens Street, Jefferson, GA 30549. Outside of the envelope must be marked "Bid for Crack Seal & Re-Mark Airfield." Envelope must also bear, on the outside, the name of the bidder, bidder's address, and bidder's license number. All bids must be made on blank forms provided and included in the bound document or as provided by Addendum prior to bid.

The work shall consist of the furnishing of labor, material, and equipment for the Crack Seal & Re-Mark Airfield project.

Each proposal shall be accompanied by a cash deposit or certified check, drawn on some bank or trust company insured by the Federal Deposit Insurance Corporation, in an amount equal to not less than five percent (5%) of the proposal. In lieu thereof, the bidder may offer a bid bond of five percent (5%) of the bid prepared on the Bid Bond form contained within the Contract Documents or a Surety Company's Standard Bid Bond form, duly executed by the Bidder as principal and executed by a surety company licensed under the laws of Georgia to execute such bonds and listed in the latest issue of U. S. Treasury Circular 570, conditioned that the surety will, upon demand, forthwith make payment to the obligee upon said bond if the bidder fails to execute the contract in accordance with the bid bond. Said deposit shall be retained by the Owner as liquidated damages in event of failure of the successful bidder to execute the contract within ten days after the award or to give satisfactory surety as required by law.

Plans, Specifications and Contract Documents may be examined at the following locations:

- W.K. Dickson & Co., Inc.,
2120 Powers Ferry Road, Suite 100, Atlanta, GA 30339
phone: (770) 955-5574.

6. Goals for Minority and Female Participation (41 CFR Part 60-4.2);

7. Certification of Non-Segregated Facilities (41 CFR Part 60-1.8);

8. Debarment, Suspension, Ineligibility and Voluntary Exclusion (49 CFR Part 29)

9. Bid Guaranty of 5% (49 CFR Part 18.36(h)(1))

10. Performance Bond of 100% (49 CFR Part 18.36(h)(2))

11. Payment Bond of 100% (49 CFR Part 18.36(h)(3))

The requirements of 49 CFR Part 26, Regulations of the U.S. Department of Transportation, apply to this contract. It is the policy of the Jackson County to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. All firms qualifying under this solicitation are encouraged to submit bids/proposals. Award of this contract will be conditioned upon satisfying the requirements of this bid specification. These requirements apply to all bidders/offers; including those who qualify as DBE. A DBE contract goal has not been established for this contract as of the date of this notice, and will be addressed by an addendum to this notice. The bidder/offeree shall make good faith efforts, as defined in Appendix A, 49 CFR Part 26 (Attachment 1), to meet the contract goal by utilizing DBEs in the performance of this contract.

The apparent successful bidder will be required to submit in the "Proposal" section of his bid the information concerning the DBE that will participate in this contract. This information will include: (1) the names, addresses and telephone numbers of Georgia licensed DBE firms that will participate in the contract; (2) a description of the work that each DBE firm will perform; (3) the dollar amount of the participation of each DBE firm participating; (4) written documentation of the bidder/offeree's commitment to use a DBE subcontractor whose participation it submits to meet the contract goal; and (5) written confirmation from the DBE that it is participating in the contract as provided in the commitment made under (4).

If the bidder fails to achieve the contract goal stated herein, he will be required to provide documentation demonstrating that he made a good faith effort. The bidder's documentation shall be submitted in accordance with the provisions outlined in the Proposal.

No pre-bid meeting is scheduled for this project.

Approval**

P. I. 0011677, Jackson County

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: April 4, 2016.

The proposed project, SR 11 @ Mulberry River Tributary 6.3 miles SW of Jefferson, Jackson County, replaces the existing 50 ft. culvert with a 98 ft. culvert. The entire length of the project is 0.227 miles. The existing culvert is a triple box with a width and height of 10 ft. The proposed culvert is a double box that is 10 ft. wide and 12 ft. high per barrel, with 2 ft. of that height being embedded. The existing alignment is to be utilized for final construction. A reduced shoulder width of 8 ft. will be used and a shoulder of 13.5 ft. will be used to accommodate guardrail. An off-site detour will be used to allow the culvert to be replaced with an open cut. The road will continue to be a rural two lane, 55 mph corridor. This project is located in Georgia Militia Districts 245 and 248.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
