Notice is hereby given in compliance with Georgia Code 22-2-109 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is June 3, 2010

The proposed project will lower Peter Street/Olympic Drive and construct bridges over Peter Street/Olympic Drive for SR 10 Loop at its current vertical alignment. The proposed project will construct a compressed diamond interchange with one loop ramp in the southwest quadrant. The shoulders along Peter Street and Olympic Drive will be 12' wide urban shoulders. The project calls for 4 foot bicycle lanes adjacent to the proposed travel way along Peter Street/Olympic Drive in each direction.
