Notice of Location and Design Approval

Project BRST-1308-00(012)

Barrow/Walton Counties

P. I. Number 142296-

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is April 13, 2012.

The project consists of the replacement of the existing bridge and new roadway approaches on SR 81 over the Apalachee River at the Walton County and Barrow County lines. The total length of project is 0.5 miles, beginning at mile log 19.18 in Walton County and ending at mile log 0.25 in Barrow County. The project is within Land Lots 351 and 363, 5th District, Walton County, Georgia, and GMD 249, Barrow County, Georgia.

The construction will consist of a detour bridge, 165 long and 28 wide (gutter to gutter), constructed 50 southeast of the existing bridge. The existing bridge will be removed and the proposed bridge will be constructed along the original alignment. The existing bridge is approximately 165 long and 29.7 wide and is in need of replacement. The proposed bridge is approximately 165 long and is 40 wide (gutter to gutter). The proposed roadway width is 24 with rural shoulders of 10 6 6 of which will be paved.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

public outcry to the highest and best offer for cash, between the legal hours of sale before the Courthouse door of Barrow County, Georgia, on the first Tuesday in June, 2012 (June 5, 2012), following described property (the "Property"), to wit:

Tract 1:
ALL THAT TRACT OR PARCEL OF LAND lying and being in the State of Georgia, County of Barrow, 243rd Street, and to the City of Marietta ("Promissory Note"), with interest thereon as provided in the Note until paid.

On account of defaults in the terms of the Promissory Note, the Security Deed and other loan documents, including Borrower's failure to pay the indebtedness in full at maturity, Lender, the present holder of said Security Deed and Promissory Note, has declared the entire unpaid principal balance of all obligations secured by said Security Deed, including interest to date of sale, to be due and payable immediately.

The debt remaining in default and unpaid, this sale will be for the purpose of satisfying the principal and interest due, amounts, if any, expended by Lender to protect its interest in the Property, and all expenses of this sale, including, without limitation, attorneys' fees.

The Property will be sold subject to outstanding ad valorem taxes and/or assessments, and superior easements, restrictions and rights-of-way and other superior matters of record, if any. The undersigned will execute a deed to the purchaser at the sale as provided in the aforesaid Security Deed.

To the best knowledge and belief of Lender, the equitable title to the Property is vested in Borrower, and the party in possession of the Property is Borrower, or tenants claiming under Borrower.

Notice of Location and Design Approval

Project BRST-1308-00(012)
Barrow/Walton Counties
P. I. Number 142296-

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location approval is April 13, 2012.

The project consists of the replacement of the existing bridge and new roadway approaches on SR 81 over the Apalachee River at the Walton County and Barrow County lines. The total length of project is 0.5 miles, beginning at mile log 19.18 in Walton County and ending at mile log 0.25 in Barrow County. The project is within Land Lots 351 and 363, 5th District, Walton County, Georgia, and GMD 249, Barrow County, Georgia.

The construction will consist of a detour bridge, 165' long and 28' wide (gutter to gutter), constructed 50' southeast of the existing bridge. The existing bridge will be removed and the proposed bridge will be constructed along the original alignment. The existing bridge is approximately 165' long and 29.7' wide and is in need of replacement. The proposed bridge is approximately 165' long and is 40' wide (gutter to gutter). The proposed roadway width is 24' with rural shoulders of 10', 6'-6" of which will be paved.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

65. Public Notice of Sale
NOTICE OF LOCATION AND DESIGN APPROVAL
PROJECT BRST-1308-00(012)
BARROW/WALTON COUNTIES
P. I. NUMBER 142296-

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.
 The date of location approval is April 13, 2012.
 The project consists of the replacement of the existing bridge and new roadway approaches on SR 81 over the Apalachee River at the Walton County and Barrow County lines. The total length of project is 0.5 miles, beginning at mile log 19.18 in Walton County and ending at mile log 0.25 in Barrow County. The project is within Land Lots 351 and 363, 5th District, Walton County, Georgia, and GMD 249, Barrow County, Georgia.
 The construction will consist of a detour bridge, 165' long and 28' wide (gutter to gutter), constructed 50' southeast of the existing bridge. The existing bridge will be removed and the proposed bridge will be constructed along the original alignment. The existing bridge is approximately 165' long and 29.7' wide and is in need of replacement. The proposed bridge is approximately 165' long and is 40' wide (gutter to gutter). The proposed roadway width is 24' with rural shoulders of 10', 6'-6" of which will be paved.
 Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
