

**NOTICE OF DETOUR APPROVAL**  
**BRSLB-2015-00(003), Troup County**  
**P. I. # 342870-**

Notice is hereby given that the Georgia Department of Transportation has approved the use of and the routing of a detour for this project.

The date of detour approval is: March 15, 2016

The proposed project will replace a structurally deficient bridge on CR 296/HAMMETT ROAD @ YELLOW JACKET CREEK TRIBUTARY NORTH OF LAGRANGE utilizing a practical design where all work will remain within existing right of way and traffic will be detoured off-site during construction.

The proposed detour route would follow Leonard Road to Youngs Mill Rd to Mobley Bridge Road and would be in place for 12 months while the bridge is being constructed.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
