Gentlemen:

SUBJECT: NOTICE OF DETOUR

The Department of Transportation wishes to publish the attached legal notice for Project No. BRSLB-1586(4) in Baker County. We would like for this notice to appear in the **October 5, 2005** edition of your newspaper so that we will comply with the requirements for advance advertising as set forth by the Department of Transportation.

Please send the bill and two (2) tear sheets for each printing to the Department of Transportation, District No. 4, 710 West Second Street, P.O. Box 7510, Tifton, GA 31793-7510 (ATTENTION: SHANE PRIDGEN).

Yours very truly,

A handwritten signature in black ink, appearing to read "William S. Pridgen".

William S. Pridgen
District Planning/Programming Engineer

NOTICE OF DETOUR

BRSLB-1586(4) BAKER COUNTY

P.I. No. 442860

Notice is hereby given that County Road 67 / Jones Road will be temporarily closed at the bridge over Mill Creek for approximately 4 – 6 months during construction of a new bridge at this site. A detour will be provided by Baker County.

Project BRSLB-1586(4) Baker County will replace the bridge over Mill Creek located on County Road 67 / Jones Road, approximately 16 miles northwest of the City of Newton. The project begins approximately 450 feet south of the bridge and ends approximately 680 feet north of the bridge. The existing 120-foot x 22-foot bridge would be replaced with a 150-foot x 28-foot concrete bridge on existing alignment. The roadway would be closed during construction and Baker County will be responsible for signing and maintenance of detour routes. The total length of the project is approximately 0.21 mile.

The recommended detour is around approximately 15 miles of county maintained roads including State Route 216 for approximately 4 – 6 months.

If you have any questions, please call Evelyn Phillips at the Baker County Manager's office at 229-734-3000.
