

DEPARTMENT OF TRANSPORTATION
STATE OF GEORGIA

INTERDEPARTMENTAL CORRESPONDENCE

OFFICE: Planning

DATE: December 2, 2008

FROM *Angela T. Alexander*
Angela T. Alexander, State Transportation Planning Administrator

TO Ben Buchan, P.E., State Urban Design Engineer

ATTN Albert Shelby

SUBJECT PROJECT CONCEPT CONFORMITY – CERTIFICATION FOR FINAL FIELD PLAN REVIEW – Project CSNHS-M003-00(587), Cobb, Fulton County, I-75 From Brookwood interchange to I-285; P.I. No. M003587.

The Office of Planning is providing this letter of certification as defined in the Plan Development Process Manual of Guidance. The subject project, due to its scope of work, is exempt from being in compliance with the adopted Air Quality Model for the Atlanta Regional Transportation Plan.

By copy of this letter, the project concept of resurfacing I-75 from Brookwood to I-285 is found to conform to the Atlanta Regional Transportation Plan based on the December 2, 2008 review. If any changes occur to the proposed concept, please notify this office immediately. If you have any questions, please call Henry D. Green at (404) 631-1792.
